COSC326 evaluation (S2 2020)

This evaluation is important to us because it is our best source of information for upgrading and changing the course. We want to know where we have succeeded and where there are things to improve. Most of all, we want to know what we have not even asked about. We have mental blocks too.

	Yes	Meh	No
Did we meet your expectations?			
Did we do what we promised?			
Did we meet our objectives?			
Were the teaching staff helpful?			
Were the teaching staff approachable?			
Was the course hard work?			
Was the course fun?			
Were the 'Town Hall' meetings useful?			
Did you find working in a group useful?			
Was your group effective?			
Was your group harmonious?			
Are you a more effective programmer?			

	Low			High
Please rate your progress				
Please rate the workload				

Please write étude numbers in the boxes as appropriate.

Which three études did you like best?			
Which three études did you like least?			
Which three études were the most useful?			
Which three études were the least useful?			
Which three études were the hardest?			
Which three études were the easiest?
